Dear Peter

Feilding Excellence in Business Awards 2011

Our annual Excellence in Business Awards has been celebrated with many businesses, property owners and individuals being recognised with Awards of Excellence, for their outstanding contribution and quality customer service.

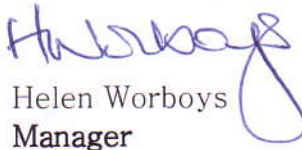

Again it was a sellout event with 528 guests enjoying the great networking opportunity. The feedback from our business community has been very positive and it certainly has boosted their enthusiasm especially in such tough economic times. Judging sheets have been returned to each of the nominated business and we have encouraged them to use the marks and comments positively, to help grow their business even further.

Any feedback and/or ideas you may have on the Awards concept or the Dinner, we would welcome to add to our debrief later this month. We certainly agree with the poor quality of the video delivery and apologise for this. You can be assured it will not happen again, and would be very keen to talk with you in the New Year about how we resolve this, to showcase your excellent work in the manner it should be!

Without the generous support of sponsors such as Screen Vistas, this important business development project would not be possible. Feilding Promotion sincerely thank you for your support. We hope it was also a useful opportunity to promote the work of your business and that you enjoyed the night as much as we did.

Thank you again and we look forward to working with you in 2012!

Yours faithfully

Helen Worboys
Manager
